TIANA

Big, bouncy breasted Tiana is spilling all over the place, and not just out of her sexy scarlet basque. No, she's admitting things that Pope Francis would blush at through the confessional screen. "My best sexperience was getting six of the best cocks pumping between my breasts and filling my cleavage with a tsunami of todger-juice," divulges the Dartford dolly bird. "I think I get more of a buzz out of having my tits fucked than my pussy. Maybe it's something about seeing those balls swell, rear then disappear before covering me in cream!" Something we're sure readers are going to experience themselves very soon!

What a Blinder

One evening hubby told me to put a blindfold on and relax on our bed. I knew I was in for a good spanking and I braced myself for the beautiful stinging blows.

He told me he had a surprise for me and after a few blows he took off my blindfold.

My best mate Liz was on the bed next to me and it was her who'd been spanking me. We had a great threesome and we all fucking loved it.

She licked me out while my boyfriend slammed his cock up her from behind. Then I wriggled round so I could lick her cunt and his swinging nuts as he screwed her.

After that it was my turn. My boyfriend got me on my back and draped my legs over his shoulders. As he pummelled into me Liz sat on my face and I slurped at her cunt.

Then my boyfriend took a back seat and pulled himself off as me and Liz had a juicy sixty-nine.

Finally he got on the bed and shot his load all over both of us.

We rubbed it into our cunts before licking it out of each other. I'd never cum so much as I did having just shown my cunt to the camera for the first time – it blew my mind!

I would recommend it!

Ruth, Bournemouth.

Basque to the Old School

Last Christmas, my bloke Steve got me this really beautiful red basque and sexy lingerie.

The feel of it got me horny and the sight me in it did the same for him, so we had an early night. I said maybe I'd better take it off, in case we damaged it as things hotted up, but he said leave it on.

He took the panties off me then had me lie there, playing with myself while he sniffed them and wanked his cock. I know his body well enough I can tell when he's about to shoot and it just spurted out, soaking down the silk.

He said he was sorry, he'd just got the urge, but I surprised myself, feeling turned on by the mess he'd made of me. And that led to a bit of a fetish, for the both of us.

I won't let him do anything more than spunk on that basque because I love it and it cost a fortune, but now

I've stocked up on cheap undies – everything from plain white cotton to cheap, slutty sex-shop knickers because we both love it when he rips them off me!

VICKY, YORKS

THE TATTERED FISHNET FRAMED MY TWAT AND NEAT, TRIMMED BUSH

Sometimes it's planned and sometimes it isn't, though. One day we went for lunch at quite a posh restaurant, so I was wearing a black pencil skirt and white shirt, sexed up with a pair of fishnet tights. We played footsie through most of the meal and when I came back from the loo, I handed him my panties – just simple black tangas.

When the waiter came to take our coffee order we asked him to delay it so we could go for "a ciggie". But Steve followed me into the ladies. I bent down over the loo and he hoicked my skirt right up around my waist, then I felt him dig his fingers into the mesh of the tights, ripping a massive hole in them right over my pussy.

He should have dropped his pants first – he was so worked up he could hardly get his flies undone, and the anticipation was killing me. But the hard-on he stuck in me was well worth the suspense.

It was fast, a bit of a bunny fuck, Steve trying to get off quick and me frigging like mad to get there too. In the end he shot first, but I kept on rubbing myself, finally bringing myself to orgasm as his cum spurted out over my hand.

After lunch I had to go back to my office, and Steve refused to give my knickers back. I cleaned myself up in the loos as best I could but had to spend all afternoon sat in a tight skirt, with a gaping hole torn in my tights and the memory of my bloke's length poking me through it.

I had an hour's wait for Steve after I got home, but resisted the temptation to play with myself. His cock was going to get some full-on pussy and he wasn't going to stop fucking me till I was totally satisfied.

I kept the same tights on, with a pair of knickers and a cheap, fitted T-shirt dress over the top. He got to the bedroom to find me playing with my tits, getting my nipples stiff, and he ripped the top half of my dress down to the waist, exposing them. I think that, given time, I could have cum just from him sucking them, but now he was tearing further down.

The knickers didn't last too long either, the elastic snapping and the cotton ripping as he yanked them off me. But he left the tights in place. It looked so slutty, more naked than naked, the tattered fishnet framing my twat, with its neat, trimmed bush. He hooked my knees over his elbows, then ploughed in, fucking me slower than we'd done earlier. He wrapped his fingertips in the fishnet, stretching it tight then rubbing it over my clit. It added so much friction I came almost instantly, my pussy massaging his cock. And I came once again before he pulled out and splattered my crotch and torn tights with a load of thick, creamy jizz.

I'll make it clear, it's just a game – Steve would never do anything that I was uncomfortable with. I'm not even sure why I'm so into it – I think it just feels bad and forbidden, as I'm normally pretty fussy about my clothes! But if it makes us both cum, what's the harm?
Vicky, Yorks.

Dear Julia

My husband and I enjoy reading *Escort* magazine together and we had a very productive time – he did especially, pumping spunk all over my boobs after ogling the pics of oily Amber. Her pussy looked amazing drenched in shiny oil. Spunk, baby oil and my pussy juices – should I send you the laundry bill, Julia?

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Arselick and Lace: Lyndsey loves it up her!

MILF model Lyndsey Lace reveals how she loves shooting sexy snaps for you to shoot your load over. The stickier the pages, the better…

One of the hottest accessories my husband and I use in the bedroom is a camera. I've been modelling for my husband privately for a long time. But getting the camera out was just a bit of fun at first.

In 2011, we sent some snaps to an adult magazine for their readers' wives section and that's how we got into glamour and adult modelling. They published my pictures and asked me if I'd like to appear again, which I did. After that, I was offered the chance to do a professional shoot with one of their photographers.

My first time was at home. I was extremely nervous as I'd only modelled for my husband previously. I waxed everything off the night before and that morning I got all my sexy outfits together and then waited. It was hard to relax, but when the photographer arrived he put me at ease straight away, chatting about normal stuff.

Once we got started it all came naturally. We shot a 'messy set' in my kitchen, which meant eating cream cakes and rubbing cream all over my tits and pussy! It was very arousing and I sort of lost myself in it all, forgetting that this strange man was up close and personal taking pictures! It went really quickly and when I saw the pictures I was impressed!

It was seeing the end result and how sexy the pictures turned out that made me to want to do more. All of the compliments I received gave me such a buzz – what girl doesn't like to get compliments? My husband found it a huge turn-on too, which has ultimately resulted in us having a great sex life. Since that first shoot I've appeared in ten different issues of top-shelf mags. My husband loves seeing me in print and knowing guys are getting off over his wife.

'MILF' is the only modelling I've done, as I got into glamour later in life, so I can't compare it to what it's like being a younger model. I suppose being a MILF plays up to a lot of the younger guys' fantasies. In my experience the sets are always fun and relaxed. The photographers are always professional but they are men at the end of the day and a few flirty comments usually get passed around. I've done some outdoor stuff, which was a bit more tense, because there's the risk of being caught in some uncompromising positions.

We support the Lancashire sixty-niners

> "At one break, I sneaked a big dildo into the ladies and had a massive orgasm with it"

Full power: Two minutes. Stir. Full power: Two and a half minutes. Sounds about right

I'd say shooting outdoors was probably the hottest set I've done so far. I loved the thrill of being seen by people walking past. It was very sexy and led to some fantastic al fresco sex with the hubby later! I'm in talks about doing a girl-girl shoot soon, so I'm looking forward to that experience and that could become my new favourite!

Getting ready for a shoot always involves waxing – I love to have a nice smooth pussy. I keep my own hair and make-up simple. I always choose the outfits I feel the sexiest in and have my husband to help 'test drive' any new lingerie and toys I buy.

I always feel sexy and horny for my shoots. It has to come from the inside out – if I'm not horny then how can you expect to turn on the people looking at my pictures? Afterwards I find myself turned on. I did one set with a big dildo. During a break I managed to sneak it into the ladies to have some fun and had one of the best orgasms ever! It gave the pictures some added sex appeal as I was naturally very wet! Often hubby comes with me to the shoots and it's very rare we make it home before ripping each other's clothes off for a quick shag or a blow job somewhere quiet on the way home!

The thing I love most about my job is the fan mail. I get off hearing from men that they are having great sex with their partners after enjoying my pictures together, or wanking over the shoots I've done. Hopefully you're making these pages very sticky!

Fancy picking up the camera? My three tips to get the perfect shot of your own wife are:

1) Keep the poses simple and natural. It's hard to feel sexy if you aren't comfortable.

2) Lighting! Make sure it's not casting unflattering shadows on your face or body.

3) Get a clear background, nothing sexy about seeing an overflowing bin, but most of all keep telling her how fantastically sexy she is, that will make her sexiness really show through!

Keep up to date with Lyndsey at Twitter @LyndseyLace.

REAL WIFE SEX

Molly,
Oxon

Sexy student Molly takes a summer break and "discovers herself" – as well as a couple of filthy fuckers...

ERECTORA

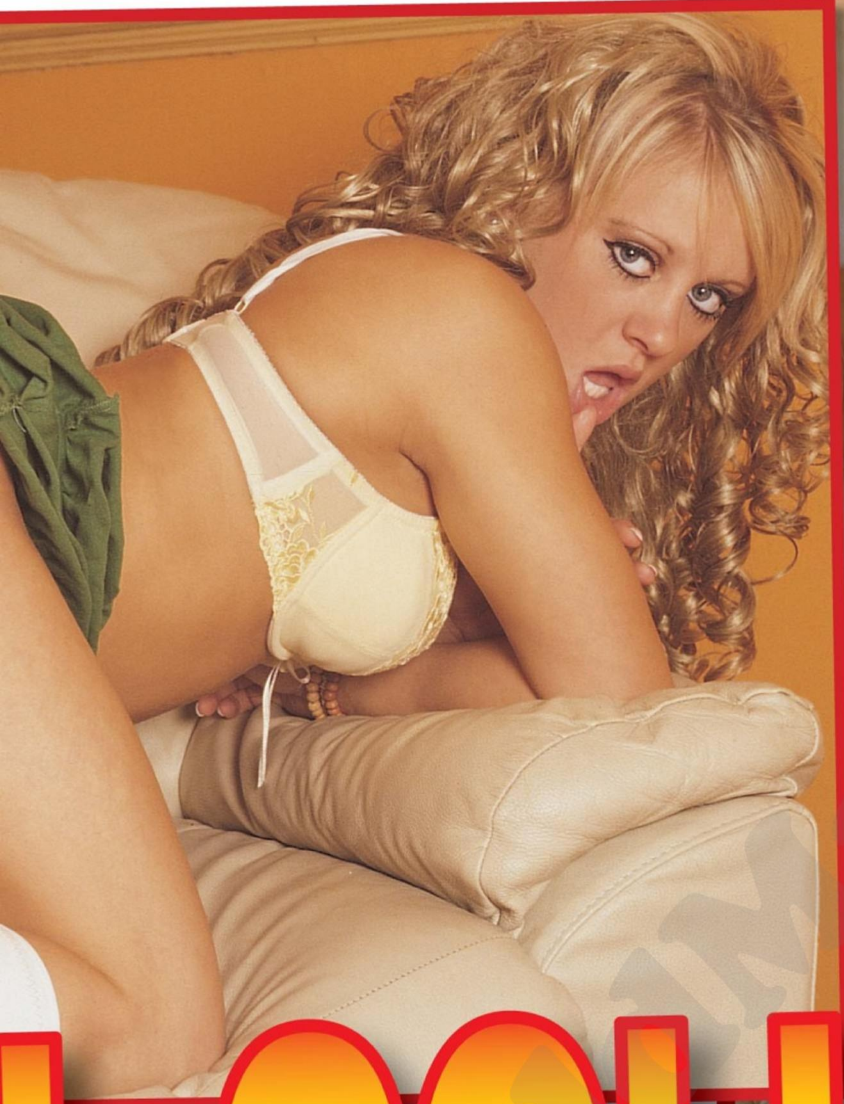
I'm now in my final year at college and, as well as knowing I'd have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I'll be looking for a job! So I decided to do Thailand on a shoestring budget, living in a hut on the beach.

I wasn't sure at first – I'd never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Daniel. He was Norwegian, probably spoke better English than me, and was fit as fuck! If it wasn't paradise it was pretty close – Daniel had the biggest, hardest dick I'd ever played with and just fucking and messing around with each other under the stars – or in the sea when we could get away with it – was such a turn-on.

I clamped tight on his shaft as he spunked in me

Obviously we didn't keep ourselves to ourselves all the time. We met loads of people but had the most fun when another Brit – a lad called Mikey – moved into the hut next to ours. By this time I was all tanned, more toned from all the fucking and exploring we were doing, and used to wandering around with not much on. This made me Mikey's wet dream. Of course, Daniel – who had an evil sense of humour – got off on me winding Mikey up, wandering around in my G-string bikini and so on.

One afternoon, I was lazing around the hut when Daniel crept in as quietly as he could. "Mikey's having a wank next door!" he said. I'd been listening to music, but when I switched it off, I could hear him moaning. He didn't actually call my name but Daniel reckoned he was spanking the monkey over me.



L COLLEGE!

Then Daniel said we should really give him something to get excited over. It was always hard to say no to him, especially when he had a hand down my knickers. As he diddled away at my clit, I was virtually purring with pleasure. I'm a bit of a moaner and screamer anyway, but this time I laid it on really thick for Mikey.

All Daniel had on was a pair of shorts, so I got his cock out over the elastic and started giving him one of my special, nut-sucking blowjobs. I gave a running commentary right up until my mouth was too full to talk, and then Daniel took over, telling me to suck him good, loud enough for Mikey to hear. The idea of some bloke getting turned listening to us fuck got me all wet down you know where.

We were keeping half an ear open for Mikey's reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away. "Oi, mate!" Daniel said, sounding scarily English, "Come and join in the fun if you want." We assumed he'd bolt – I actually felt sorry for the poor sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Daniel's cock, but I nodded an okay.

I was still sucking him off when Mikey walked in

I was still sucking him when Mikey walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those slightly runty little blokes who somehow manage to be massively well endowed. Even Daniel looked a bit taken aback

Readers kindly inform us that the magazine is a load of old balls of these days, so we thought we'd live up to our reputation and drop two of our finest fun-loving models, Vicki and Taylor, into a ball pool and let them fight it out for shagging rights. "Oooh, balls! I prefer mine hot, hairy and heavy!" giggles Vicki. "I've got a great trick where I pop a pair in my mouth and slide a lubey hand up and down the shaft. They only last a minute or two!" Tarty Party

It all started at a friend's party. I was slightly drunk and my husband had been showing 'naughty pictures' of me to our friends; he was asking them to persuade me to pose for pictures for your magazine.

A short while later one of my husband's female friends asked him if she could kiss me. Lisa is in her early twenties, slim and devastatingly attractive. I don't know if he would have agreed if it was a male friend but he says he would and that this was my choice. He asked me if it was OK, and being slightly drunk, I agreed so Lisa and I disappeared to a spare bedroom together.

Lisa started by softly touching my cheek and drawing me closer to her face before our lips met. That single moment in time was electric for me. Lisa is bi and experienced, I have only ever been with a few men in my life and I couldn't believe the initial sensation of my lips meeting hers.

We fell on the floor, our lips locked together, tongues entwined and our hands reaching at buttons and zips, frantically trying to undo any barrier to our passion. I felt the rush of excitement as her fingers found my clitoris.

She raised her hips allowing me to slide her jeans down and to get access to her soft, wet pussy. Just then my husband called up the stairs to see if we were OK. Breathlessly I called back "Fuck off and leave us alone!"

Lisa and I both kicked off our shoes and got out of our clothes as fast as we could. As soon as we were both stripped bare we paused momentarily looking at each other's naked body. The effects of the wine had worn off – I was now giddy with excitement and expectation.

I opened my legs wide for her and her fingers found my clit. My back arched involuntarily. I longed for her to push her fingers inside me and, as if reading my mind she obliged and found my G-spot almost instantly. I was in heaven and on the verge of cumming already and we had only been together five

MY PUSSY AND ARSE CLENCHED ROUND LISA'S FINGERS

minutes. What the fuck!?!

Lisa gasped as my fingers found her moist pussy again. I kissed her, my fingers always probing her gorgeous wetness.

I eased two fingers inside her just as I brought my lips above her clitoris, took a deep breath, stuck out my tongue and licked. I could feel her clit harden against my tongue, especially when I pushed my fingers deeper inside her. Lisa moaned with pleasure. My fingers were coated with her pussy juices so I rubbed them gently round her arse before pushing my index finger into her tightest hole, my tongue still lapping at her pussy.

She grabbed my head and pulled me closer, my tongue lapping up every last drop of her oozing sex, my finger pushed deeper inside her. I felt her tremble, heard her moan from satisfaction and smiled to myself that I had been able to do this.

I thought it was about time to rejoin the party but Lisa seemed to have other ideas. "It's not fair", she said, "I haven't had a chance to taste you yet."

She gave me a grin and put her head between my legs while kneeling either side of my face so that we were in a sixty nine.

My whole body tensed when she ran her tongue along my snatch, she grabbed my bum cheeks as if trying to pull herself closer, sucked my clit into her mouth and rolled her tongue around it.

This was FUCKING intense – every part of me tingled! I had never believed so much pleasure was possible at one time and then to really make my endorphins rush she pushed two fingers in my sopping cunt and another into my eager bum, her mouth still locked on my clitoris.

This orgasm took my breath away. My body shook and my legs twitched and my pussy and arse clenched around Lisa's fingers as wave after wave of orgasmic release rushed through me.

My body and mind had just reached places I never knew existed and all I could do was lie there trying to get my breath back, enjoying the afterglow of the most powerful orgasm I had ever had.

Lisa grinned – she could see I was still unable to speak. As she got dressed she said: "We'll have to call that a 68… You still owe me one!"

Cate, West Sussex.

Get busy with the Lizzie! Readers of a certain age may remember a breakfast TV fitness freak of this name who used to threaten early morning viewers with early coronaries by insisting they jump around performing purgatorial exercise routines instead of pulling the duvet over their heads, masturbating before the snooze alarm went off again and eating their own body weight in black pudding (not all at the same time). "I'm a morning person too!" smiles this Lizzie. "But only for rampant sex, then back to a nice lie-in for me!"

SEX WITH ALL THE STRINGS

Knicker bucker glory Daisy Blade's column this month is just pants. Literally.

Generally, I don't think much about sex and underwear, but in the last week what happens with them or to them during sex has been an integral part of my fantasies and foreplay with Mr Boyfriend.

Take them off, leave them on, move them to one side and carry on. It's the thought of the big reveal, my pussy being exposed, that's really got me going.

I should probably state that I'm not the kind of woman that is fussed by expensive lingerie. Don't get me wrong, I enjoy looking at a pretty pair of pants on a woman, but I can never bring myself to buy a pair. I'd rather go for the cheaper, high street stuff and then I don't mind so much if it gets ripped off, torn off with teeth or snipped with scissors. I can literally count on one hand the number or pairs of knickers I have that cost me over a tenner. Sorry if that makes me sound less sexy!

It's not the look or feel of them that turns me on though, it's what Mr B does with them that starts the juices flowing. I think there's a lot to be said for how a man takes off your knickers, but I've only just started to appreciate this.

These spuds are nearly drained

My current fascination began when I was watching some kinky porn and the guy had the woman all tied up. It had been pretty rough loving up until that point, but he slipped her knickers off with such delicacy and care that it made her appear even more vulnerable and innocent. The removing of her panties and exposure of her pussy was the last barrier before she became his. I wanted that!

Texting Mr B, I wrote: "I'm going to wear sexy knickers tonight. How you take them off is up to you..." He was at work, so had plenty of time to come up with an imaginative method.

By the time he got home I was gagging for it. A whole day thinking about how he might take my panties off had worked me up into such a frenzy that I just wanted him to rip them off and to hell with them, but the challenge had been set and I could tell he had something in mind. I'd put on my sexiest pair of Ann Summers knickers (that's as luxurious as I get). They're black and it's a thong, but has a pretty lacy skirt over the top that makes my arse look amazing.

Stripped to just those he told me to lie on the bed. Kissing down my stomach, he looked up at me from between my legs when he got to the band of my knickers and then pulled on them with his teeth. My pussy pulsed; he is such a tease. They moved down only a little bit, as planned, so then he rolled me on my side and did the same thing. The anticipation was delicious.

As more of my hips and arse were exposed, and the fabric gently pulled away, he kissed and lightly nibbled my curves. Using only his mouth and slipping two fingers under the bands – there's nothing sexy about wresting with knicker elastic – he pulled them down. Inch by inch, more of me was laid bare and he kissed the entire length of my legs as he went.

That was it. I was putty in his hands. It was easily the most erotic manner in which my panties had been removed and definitely the only time I've ever been close to climax simply from taking my underwear off. By the time he covered my exposed pussy with his mouth I was ready to cum and it didn't take long.

There's a lot of fun to be had with the taking off of knickers and it isn't a part of sex I'm so eager to rush at the moment. Slow, sexy and deliberate is the key and I'm loving the fact that parts of my body usually overlooked are getting some attention. I just wonder how he'll do it next.

VIX

In a case of blatant police brutality, we predict you will be battering your cock to within an inch of its life, and perhaps pretending it made a false statement that it called you a pleb, after spending a couple of minutes in the company of these mag shots of Vixen. "I love pretending to be a copper, bossing my man around, and getting him to strip and spread for me," says the very special constable. "He's served three years with me so far and I get him off with my bad behaviour, every single night of the week!" Lucky lad!

Prussian Blue

We've been into swinging for a few years, so when we went on holiday to Berlin we thought we'd try and check out the swinger club scene there!

When we arrived it was obvious that as far as our choice of club went, we had made the right choice. We got in with no fuss, and it looked as if most people spoke English!

We were getting on very well with a German couple who were a little younger than us.

They were very interested in Britain and the swinging scene here as they were planning a trip. We'd chatted on much longer than we usually would in a club, so we all decided to take it on to one of the club's rooms.

The room we went to was basically a square, with a soft floor – not quite a mattress, but padded. I looked at out German friends as they undressed. Linde was firm and fit with smallish tits, and had blonde hair. She looked like she spent time at the gym. Lamarr was fit and firm-bodied too, with short brown hair and a big dick.

Linde took Richard's cock and wanked it so it was as hard as it could get, then licked up and down its length. I followed suit with Lamarr's dick. Already my juices were flowing and I was eager to get his cock rammed up me as soon as I could.

I took the lead and lay back on the floor. Lamarr wasn't ready to feed my hole his cock yet though, and began lapping at my shaven cunt!

As he paid attention to my clit I looked over at Richard. Linde was rolling a condom onto his cock – lucky cow, she was going to take his length!

I was surprised when she got on all fours and smeared lube onto her tight little arsehole though. She was offering my husband her arse!

SHE OFFERED MY HUSBAND HER ARSE!

I watched as he eased his dick into her bumhole – I'd never seen him fuck another woman in the arse before, even though he'd done me there plenty of times! It was a sexy sight.

Lamarr filled my pussy with his meat in one slow thrust. His cock felt good inside me, and he began to pound away in steady strokes.

Linde was panting and calling out as she frigged herself while Richard fucked her arse. I reached over and fondled her nipples, and I knew this was the kind of thing that would send her over the edge! I was right – she wailed and panted, cumming on her fingers so hard that Richard's cock was squeezed out of her arse.

I was close to orgasm myself – but I tend to cum quietly. Lamarr fucked me steadily, pumping in and out with regular thrusts. Just the way to make my cunt quiver! I took another look at Linde.

She was flicking her clit while Richard fucked her cunt hard and fast. She started to cum again, and I could see Richard would be able to hold on. Then I saw from his face that he was there, pumping his mess into the condom inside her!

It was my turn – I couldn't hold it back if I'd tried! I convulsed with it cumming hard and long. As I relaxed back after the final wave Lamarr pulled out of my cunt and spewed a hot load of jizz over my stomach!

"I may seem pretty staid at work but I have a very colourful sex life after clocking off. Last Friday I wore this sexy purple underwear under my smart work clothes and got picked up by my boyfriend. I stripped down to my undies in the car and sucked him off as we drove to a swingers' night in Wimbledon. Then he let me have all the fun I could handle – a lot of cock and even some juicy pussy from a pair of loved-up lesbos!"

REAL WIFE SEX

Molly's story continued from page 19

when I shot a glance up at him.

He responded by placing a hand on the back of my hand and pushing me back towards his cock. I really went for it, taking him in deep and rubbing his bollocks against my chin. Mikey still wasn't sure exactly what to do so he just stood there wanking away. I got this tingly tightness in my pussy so, as I sucked on Daniel's cock, I started frigging myself, three fingers up my wet snatch.

At last, Mikey got the message and moved towards me, but Daniel suddenly pulled out of my mouth, got in behind me and stuck his cock into my cunt. Mikey let out a groan, gritting his teeth – frustration or maybe just turned on by what he was seeing.

I felt a bit pissed off with Daniel getting possessive, but I didn't have to feel disappointed. I licked my lips, moistening them, and Mikey walked round to the front of me, wanking his cock at my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue. I thought he'd blow at any second but when he didn't, I started sucking him in a bit further, a bit harder.

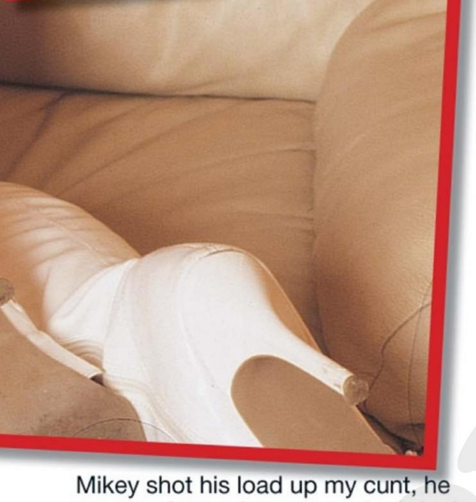
As I let out a groan, Daniel started giving it to me harder, too. One minute he'd be thrusting in and out really fast, the next, he'd just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Mikey's prick right down my throat. In the end, I curled my fingers round Mikey's root, giving me some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

> I felt like I was just this massive mess of spunk

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Daniel slowed down a little bit now, pacing himself, but I kept up the suction on Mikey's. He didn't even try to resist. The second I felt that little twitch that said he was close to cumming, he just groaned "Yeah…" and the next second I was taking two ripe bollocks-worth of spunk down my throat.

Still reeling from this he made a move for the door, but I told him to stay where he was. I wasn't finished with him yet. Daniel was fucking me too hard and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all down my crack.

I did let Mikey nip out to get his bed-roll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse, but Mikey settled for fucking my pussy, while burying his thumb in my back door. Daniel just took things easy, wanking slowly until he was ready to take another sucking and, when



Mikey shot his load up my cunt, he was ready to take over again. I don't think there was one time a hard cock wasn't waiting when I needed one, and I didn't leave the boys hanging around either.

Unfortunately Mikey was travelling around the country, so we only saw him for a few more days. After that, Daniel and I kept it one-on-one until he left to go back to Norway. We spent our last weekend together just banging each other senseless – I felt like I was just this massive mess of spunk. But it was the trip of a lifetime and I'm so glad I did it.

Ginormously jugged Toni is back — although it's her front we're most interested in, and her fella too by the sounds of it. "I'm sure my boobs have got bigger since I was first in Escort. I guess I'm still growing! It keeps my boyfriend happy anyway. He likes nothing more than to slide his cock between my big chebs and fuck them hard till he decorates my chin with his spunk. Sometimes I have to remind him I've got a fanny!"

Stripper ripper

For our summer do, a friend of mine at work organised a girls' night out to watch a group of male strippers.

It was a drive of about two hours and we hired a minibus and driver. We all had a few bottles on the bus and the atmosphere was brilliant.

One woman in particular, Sonia, was clearly determined to have fun. By the time we got to the place we were all in high spirits and keen to see the show.

During the show, one of the strippers came into the audience and headed straight for Sonia. He offered her his bulging pouch and together we peeled off his thong.

He held a flag over Sonia's head and his cock but as I was so close I could see what was going on. She actually had his dick in her mouth.

I could see her sucking on it and licking it with her tongue. If he had the choice I reckon he would have stayed there and enjoyed a good blowjob, but he had to move on.

We were all drunk when we headed home and soon everybody was asleep. I was just about to doze off when I felt a hand on my thigh.

I opened my eyes and Sonia kissed me full on the lips. My legs turned to jelly and I couldn't resist her. Soon we were tonguing like a pair of 16-year-olds.

When she pulled my halter over my tits and started sucking and licking my hard nipples I realised the driver was watching us in his mirror.

I was wet with excitement and I managed to pull her jumper over her breasts

WE TIPPED THE DRIVER WITH DAMP PANTIES

Ploughman's lunch

I met Rose when she did a couple of months' work experience at my office.

She was 22 and gave pretty much every bloke on the staff a hard-on, so I didn't even bother making a play for her. That didn't stop me sneaking the odd look, though, and she caught me a few times. Then, one day, she followed me out as I went for a ciggie break.

She said a couple of nights before she'd had a really filthy dream about me. Then she said she hadn't been able to forget it, and if I wanted a bit of fun before her placement finished next week, now was my last chance.

Even as she started unzipping my flies I was convinced it was a wind-up, but then she started wanking my cock.

This was a bit too public a place to be mucking about, though, so we slipped into a storeroom.

I asked her how I'd fucked her in her dream and she said just missionary, but really hard and deep. So I laid my jacket on the floor and she lay back.

She stayed dressed, but I helped her out of her knickers – she had a neat little snatch with a Brazilian wax. She started playing with herself, like she couldn't even wait for me to get my cock out, though if she'd touched it I'd have blown my load right then.

My helmet nudged her fingers out of the way, now on her clit and not inside her. And she kept frigging herself as I slid in, her wet walls clenching around my tool.

Given a choice, I'd have taken things slower, but I made the most of what we did. I stared down at her crotch, watching my prick plough in and out of it, whipping her juices to foam.

Her clit was pink and swollen, and now I felt her tighten even more inside, almost vibrating as she tensed just before cumming.

Then she let go and wriggling and arching beneath me as her orgasm went through her.

This was a quickie, but I was dying to see her tits without the white blouse and lacy bra that always showed through it. I grabbed the front of her top and ripped it open,

ROSE, SHROPS

so the driver could see her too. Then we pulled into a motorway service station.

The women trooped off to the restaurant but Sonia held me back. She led me in front of the bus and pushed me up against a truck.

While she kissed me she rolled my little rubber skirt up around my waist and cupped my shaven pussy, sliding a long finger inside me. I told her the driver could see us.

"I know. Isn't it exciting? Show him my bum!" she whispered in my ear.

So I pulled her skirt right up around her waist too. Back on the road we continued fingering and sucking each other.

As we neared home we both took off our knickers and when the other girls tipped the driver Sonia pushed our damp panties into his hand.

My boyfriend Chris reckons I'm having an affair with some bloke but when he reads this he'll know I've been meeting another woman for a good seeing-to.

He won't be complaining when he gets his birthday treat! *Violet, Derby.*

I SHOT MY BOLT ALL OVER HER BOOBS

buttons pinging everywhere.

"Fuck!" she gasped, but scooped her boobs out of her bra, caressing them as I shot my bolt and creamed all over them.

I didn't get much work done that afternoon, though I was glad I'd taken my chance to fuck Rose. And, what's more I got to do it again – as everyone else left for the day, she dragged me into the ladies' for another quickie.

I insisted on getting a proper suck on her tits this time, while she sat on my lap in a cubicle.

And this time I got to cum deep in her snatch as well… *Brandon, Shropshire.*

Furry's jolly good

My boyfriend Ed is a dirty bastard, but a bit "vanilla", and he finds other people's kinks hard to accept. So when I told him about "furries" – a fetish for humans dressed in animal or cuddly toy costumes – he accused me of bullshitting.

Even when I showed him online he got all sneery, saying he'd better watch he didn't get a boner at the footy when the mascot came out!

I bet I could turn him on with a furry costume and spent ages on it. I cheated a bit – it wasn't head-to-toe fake fur, but a peephole bra, crotchless panties and suspender belt covered in white fluffy fabric, plus pointy false-nail "claws", a fluffy tail and a Catwoman-style white fluffy mask. I also had a sparkly collar with a name-tag on it that read "Pussy"!

Ed walked in on the Friday to find me stretched out on the rug in front of the fire. He looked stunned and I just purred, padded over and started to rub up against him.

He just laughed and called me a perv, so I turned around and crawled back to my rug, sweeping my tail sideways with a wiggle of my arse, so he'd get an eyeful of my pink, juicy, 100% human slit edged with the white fluff.

My sex-kitten act obviously put him in the mood for a bit of doggie, and my snatch twinged as he dropped his trousers, then got in behind me. He pulled the edges of my panties further apart, like he was scared he might brush against them and get turned on!

Once he was inside me, though, he didn't care – in fact his hands were stroking all over my soft, fluffy bra as he felt for my nipples, and he was rocking his crotch from side to side as well as in and out, and tracing the line of my suspender straps.

I reached back to rub my clit, which soon had me cumming, then he grabbed my hips and really started pounding into me. I decided against yowling – no need to overdo it! – but purred at him to fuck me as hard as he could.

He didn't hold back any, just hammered my pussy before emptying his balls deep into my snatch. *Donna, Hants.*
